

Judge Robart

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA, } NO. CR05-378JLR
Plaintiff, }
v. } ORDER CONTINUING TRIAL DATE
AARON JERMAINE SLOAN, }
Defendant. }

ORDER

The Court having reviewed the records and files herein and considered the parties joint request to continue the trial date, enters the following order:

1. On June 8, 2006, for the first time, the defendant requested his attorney to assert an insanity defense to all of the charges. The defendant has a history of mental issues and counsel will need time to explore this defense.

2. The defendant understands that more time will be needed to explore the insanity defense and agrees to the continuance.

3. This Court finds that the ends of justice outweigh the best interest of the public and the defendant in a speedy trial. That failure to grant a continuance based upon the change of circumstances would result in a miscarriage of justice in that the government would not have adequate time to explore the insanity defense and effectively prepare the matter for trial taking into account the exercise of due diligence.
